PLANTING INFORMATION  
This tree was planted in 2015.  
It is a member of the  
American Elm Society.

Charlottesville was the home of North Carolina's first civilian hospital, St. Peter's, in 1876. Also, the state's first granting medical college, Wake Forest Medical College, opened in 1882 in Davidson in 1882 and was Charlottesville between 1883 - 1917. This is a major medical center in the state.
