Ordinance -Butler House

WHEREAS, the Butler House is one of the best and most substantial extant examples of the Craftsman bungalow in the Lockwood neighborhood, originally developed as Locke Wood in 1915; and

WHEREAS, the Butler House is part of the second wave of development in the Lockwood neighborhood, which was initiated when the Ford Motor Company announced plans for a plant nearby on Statesville Avenue; and

WHEREAS, the Butler House is representative of the history of the Lockwood neighborhood, an early twentieth-century north Charlotte development impacted by 1930s redlining policies that slowly shifted demographically from a majority-white to a majority-black neighborhood following Urban Renewal in the 1960s and 1970s; and

WHEREAS, the Butler House is a good example of a late period Craftsman-style bungalow built in Charlotte during the 1920s. The Butler House has maintained its integrity over the years despite alterations due to being converted to a duplex and back to a single-family home, changes which mirror those of the Lockwood neighborhood over the years; and

WHEREAS, Charlotte-Mecklenburg Historic Landmarks Commission has demonstrated that the property known as the Butler House possesses special significance in terms of its history, and/or cultural importance; and

WHEREAS, the Charlotte-Mecklenburg Historic Landmarks Commission has jurisdiction over portions of the property known as the Butler House, because consent for interior design review has been given by the Owner; and

WHEREAS, the property known as the Butler House is owned by E-Fix Housing Solutions LLC.
NOW, THEREFORE, BE IT ORDAINED by the members of the City Council of Charlotte, North Carolina:

1. That the property known as the “Butler House” (including the interior and the exterior of the house and the land listed under Tax Parcel Number 07910501 in the Mecklenburg County Tax Office, Charlotte, North Carolina as of May 1, 2020) is hereby designated as an historic landmark pursuant to Chapter 160A, Article 19, as amended, of the General Statutes of North Carolina. The location of said landmark is noted as being situated at 240 Sylvania Avenue, Charlotte, Mecklenburg County, North Carolina. Features of the property are more completely described in the “Survey and Research Report on the Butler House” (2019).

2. That said exterior and interior are more specifically defined as the historic and structural fabric, especially including all original exterior and interior architectural features and the contours of landscaping.

3. That said designated historic landmark may be materially altered, restored, moved or demolished only following issuance of a Certificate of Appropriateness by the Charlotte-Mecklenburg Historic Landmarks Commission. An application for a Certificate of Appropriateness authorizing the demolition of said landmark may not be denied, except if such landmark is judged to be of State-wide significance by duly authorized officials of the North Carolina Division of Archives and History. However, the effective date of such Certificate may be delayed in accordance with Chapter 160A, Article 19, and amendments thereto, and hereinafter adopted.

4. Nothing in this ordinance shall be construed to prevent or delay ordinary maintenance or repair of any architectural feature in or on said landmark that does not involve a change in design, material or outer appearance thereof, nor to prevent or delay the construction,
reconstruction, alteration, restoration, demolition or removal of any such feature when a building inspector or similar official certifies to the Commission that such action is required for the public safety because of an unsafe condition. Nothing herein shall be construed to prevent the owner of the historic landmark from making any use of the historic landmark not prohibited by other statutes, ordinances or regulations. Owners of locally designated historic landmarks are expected to be familiar with and to follow The Secretary of the Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, the guidelines used by the Charlotte-Mecklenburg Historic Landmarks Commission to evaluate proposed alterations or additions.

5. That a suitable sign may be posted indicating that said property has been designated as an historic landmark and containing any other appropriate information. If the owner consents, the sign may be placed on said historic landmark.

6. That the owners of the historic landmark known as the “Butler House” be given notice of this ordinance as required by applicable law and that copies of this ordinance be filed and indexed in the offices of the City Clerk, Building Standards Department, Mecklenburg County Register of Deeds, and the Tax Supervisor, as required by applicable law.

7. That which is designated as an historic landmark shall be subject to Chapter 160A, Article 19, of the General Statutes of North Carolina as amended, and any amendments to it and any amendments hereinafter adopted.
