**Re:** Comments from State Historic Preservation Office on Designation Report for Huntersville School #2, Huntersville

By email dated December 9, 2021, SHPO staff provided feedback based on their review of the Designation Report for the Huntersville School #2. In summary, the issues raised included the following:

- Greater clarity as to the building's two distinct phase of significance as a school and as a community center;
- Greater clarity as to the building's integrity associated with its transition from a school to a community center; and
- Typographical and grammatical errors.

Following review of the Designation Report and the SHPO feedback, the HLC staff revised and updated the Designation Report to address the issues raised.
