Historic Landmark

Commission

**§ 160D-949. Delay in demolition of landmarks and buildings within historic district.**

(c) An application for a certificate of appropriateness authorizing the demolition or destruction of a building, site, or structure determined by the State Historic Preservation Officer as having statewide significance as defined in the criteria of the National Register of Historic Places may be denied except where the preservation commission finds that the owner would suffer extreme hardship or be permanently deprived of all beneficial use or return by virtue of the denial.

**3. State/Federal Agency Certification**

As the designated authority under the National Historic Preservation Act of 1986, as amended, I hereby certify that this <u>  X  </u> nomination <u>      </u> request for determination of eligibility meets the documentation standards for registering properties in the National Register of Historic Places and meets the procedural and professional requirements set forth in 36 CFR Part 60. In my opinion, the property <u>  X  </u> meets <u>      </u> does not meet the National Register Criteria. I recommend that this property be considered significant <u>XX</u> nationally <u>      </u> statewide <u>      </u> locally. ( <u>      </u> See continuation sheet for additional comments.)
